ABOUT ME

Olamilekan is a highly skilled and detail-oriented web developer with a strong passion for creating dynamic, user-friendly websites and web applications. With expertise in front-end and back-end development, Olamilekan leverages modern technologies such as HTML, CSS, JavaScript, and frameworks like React and WordPress to design responsive and aesthetically pleasing interfaces. Proficient in optimizing website performance, implementing SEO strategies, and ensuring cross-browser compatibility, Olamilekan is committed to delivering seamless user experiences.

WORK EXPERIENCE

- Web And App Developer** 2024-PRESENT
 - Led a team of 5 developers to build and deploy scalable web and mobile applications for students
 - Spearheaded the migration of legacy systems to modern frameworks like React and React Native.
 - Collaborated with product managers and designers to define requirements and deliver optimal user-centric solutions.
- Web Developer** 2024 - 2025
 - Designed and implemented complex web applications using React and node.js
 - Worked closely with clients to understand requirements and deliver bespoke solutions within tight deadlines.
 - Increased web traffic through SEO optimization and improve mobile responsiveness.

ACHIEVEMENTS

- Successfully developed Hora App that helped student with their mental health while navigating school activities.
- Reduced app load time using code optimization and performance improvements.
